Buses and goods vehicles over 3,500 kg may park in marked parking spaces for up to 25 hours.

After this time, drivers must remove their vehicles from the rest area.

We want bus and truck drivers to be able to get the rest they need in order to do their job safely and stay healthy.

The number of parking places in motorway rest areas is limited, so please do not occupy them unnecessarily.

The new Road Traffic Rules Act also regulates the parking of vehicles at motorway and expressway rest areas.

Drivers failing to comply with this will incur a fine of EUR 150.
